### **Downtown Office Building Fire Under Investigation**

Las Vegas firefighters responded to a downtown office building fire early Monday morning. The cause of the fire is under investigation. There were no reported injuries.

Fire dispatchers were notified at 6:22 a.m. that smoke was coming out of a house at 520 South Seventh St. (Bonneville/Las Vegas Bl). On arrival smoke and flames were showing from the attic area of a two story wood frame house that was converted into a law office building.

Firefighters thought they had a fire in the attic of a two story house. What they found was the building is actually a one story structure and the attic area was conformed into a small bedroom. That is where the fire originated.

The fire was confined to the one room. It appeared someone was staying in the room; there was no one present when firefighters arrived on scene. Damage was estimated at \$25,000.

The cause of the fire is under investigation.
